Patron: The Rt. Hon. Lord Justice McFarlane

Advertisement for Trustee

The Hope Centre is a local, welcoming and community-spirited charity providing a wide range of services for children, families and the community.

We are currently seeking enthusiastic and committed trustees to compliment our Board.

We would like individuals to join our team, helping us to set the long term direction for the charity, whilst contributing to improving and maintaining the already high standards of service to the community.

Our main requirement is to recruit candidates who have a genuine interest in the continued success of the charity and want to make a positive difference to the lives of those in our community.

We are inclusive and forward-thinking and in order to enhance the skills of our Board we particularly want to diversify our make-up in terms of age, [young adults are particularly welcome], gender and background.

We are looking for open, innovative people, with a positive outlook. We want to bolster our skills gaps in the areas of fundraising, public relations and social media, finance and legal matters, however lack of experience in any of these areas should not deter people from applying. We offer training in the role and support from existing trustees.

A trustee is a voluntary role that provides a sense of value, knowing that you are giving something back to the community. You can make a difference to the charity, by reflecting on your life experiences and offering a different perspective that may improve Hope's services. You will develop skills that may be of use in your future ventures, whether on a personal level or in a professional career.
